PROFILE

Over 12 years in customer support and travel operations, currently working in B2B hotel booking operations.

I handle 70+ cases a day within a 48 to 72 hour SLA, coordinate directly with hotels and suppliers, and cover five markets on my own.

I started my career as a B2B reservations agent and hold an IATA qualification, so I understand both the supplier side and the customer side of a booking.

EXPERIENCE

Customer Service Representative

Nuitee Travel | Nov 2025 – Present | B2B hotel operations

- 70+ cases daily: reservations, check-in instructions, modifications and supplier escalations.
- Resolve directly with hotels and suppliers to secure confirmations and fix booking discrepancies.
- Work across Zendesk, Slack, Aircall, LiteAPI and internal back office tools.
- Propose workflow improvements and clarify internal procedures for new joiners.

Customer Service Specialist

Booking.com ecosystem | 2021 – 2024

- Five years supporting travellers and accommodation partners in Bulgarian, English and Spanish.
- Reservations, cancellations, refunds, overbooking cases and partner escalations.

Founder

ZaBarcelona.com | 2014 – Present

- Built and run a services portal for the Bulgarian community in Barcelona.
- Handle client enquiries, service delivery and supplier coordination end to end.

B2B Reservations Agent

Alma Tour, Bulgaria | 2007 – 2009

- Reservations and booking coordination for travel agency partners.
